Frontend:	React.js, HTML5, CSS3, Tailwind CSS
Backend:	Spring Boot, Node.js, Express.js
Database:	MongoDB
Tools & Platforms:	Git, GitHub, Jira, Slack, VS Code, Postman
Concepts:	REST APIs, CRUD Operations, Full Stack Development, Debugging, Software Testing, Agile Development

PROFESSIONAL EXPERIENCE

Software Engineer Intern

Feb 2026 – Jun 2026

Opti Supply AI Pvt. Ltd.

- Contributed to development and enhancement of the ESL Connect enterprise web application using React.js (frontend) and Spring Boot (backend).
- Identified and resolved application bugs, investigated reported issues, and implemented feature enhancements to improve functionality.
- Integrated and tested REST APIs supporting end-to-end application functionality across modules.
- Participated in functional testing and regression testing activities prior to production deployments.
- Collaborated with team members using GitHub, Jira, and Slack for source code management, task tracking, and communication.

MERN Stack Developer Intern

Jul 2025 – Aug 2025

Brain Insight, Vellore

- Developed responsive web applications using React.js, HTML5, CSS3, and JavaScript, ensuring cross-device compatibility.
- Built RESTful backend services using Node.js and Express.js; designed and managed data models in MongoDB.
- Implemented CRUD operations and integrated frontend components with backend REST APIs.
- Participated in debugging, testing, and application enhancement activities following industry-standard workflows.

PROJECTS

ESL Connect Application | [Live Link](#)

React.js, Spring Boot

- Contributed to frontend and backend development of an enterprise web application used in a production environment.
- Performed bug fixes, REST API integration, functional testing, and feature enhancements within a professional team.

Nike Landing Page | [Live Link](#)

React.js, Tailwind CSS

- Built a fully responsive landing page with reusable UI components and optimized layouts for seamless user experience across devices.
- Focused on performance optimization and component reusability following modern React best practices.

Personal Portfolio Website | [Live Link](#)

HTML, CSS, JavaScript

- Designed and developed a responsive portfolio website showcasing projects, technical skills, and professional background.
- Built with a focus on usability, responsiveness, and clean user interface design.
